## Authorisation for Material-Compliance Reporting on US Conflict Minerals and Cobalt

Dear valued Business Partner,

The regulation in the field of material compliance is constantly getting more complex and requires a reliable exchange of information in the supply chain. We take our responsibility on this topic very serious and have assigned a specialized service provider, ValueStream Europe GmbH to assist us with this task.

ValueStream will therefore ask you to provide the required information on Material Compliance. Please provide the requested information in time.

In order to achieve a good deliverability of the emails from ValueStream we ask you to allowlist the domain [valuestreameurope.eu](https://www.valuestreameurope.eu) in your email system and firewall.

Thank you very much for your support.

If you have any questions, do not hesitate to contact us.

Kind regards,

Bernhard Strilka  
Group Vice President Purchasing

### Data protection and confidentiality

All information collected in the supplier query is used solely to ensure ZKW Group GmbH product and material compliance. All data collected will be treated strictly confidential.
